Dear Parent/Guardian,

Birregurra Primary School is looking forward to another great year of teaching and learning and would like to advise you of Birregurra Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Within our school this support has allowed us to provide an enriched learning and teaching program for every student in our school. The commitment from parents to contribute benefits students and results in improved achievement outcomes, wellbeing and engagement in learning. With the ongoing support from our broader school community, we are able to provide a one-to-one digital learning device for all students Prep through to Grade 6.

At Birregurra Primary School, we design and develop our learning and teaching programs by drawing on the best educational knowledge and practices. Our goal is to provide students with broad and enriched opportunities that go beyond the requirements of the standard curriculum and government funding.

We would like to express our gratitude for your support, whether it's through fundraising or volunteering your time. Your contribution has made a huge difference to our school and the programs we are able to offer.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Jessica Kattwinkel

Birregurra Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- The Camps, Sports and Excursions Fund – Families who qualify with a health care card may access CSEF funding towards camps, swimming, and excursions. Application for this will be required each year and parents will be advised when applications are accepted. For each Primary school student who qualifies, the school will receive \$125.00 which will be credited towards camps, sport, swimming and excursions.
- State Schools Relief - State Schools' Relief provides support to any Victorian student attending a government school (primary, secondary or specialist), on the advice of the school. Schools are able to submit an application directly, whenever they believe there is a need to support a student whose family/carers are facing difficulty in providing the appropriate uniform, footwear or educational items for attending school.
- Welfare and support agencies that have established partnership arrangements with schools to provide further assistance to students and their families.

Birregurra Primary School will always exercise sensitivity to the differing financial circumstances of individual students and their families.
