

Birregurra Primary School Newsletter

'Living & Learning Together'

Term 4, Week 6 – 10th November 2025

Birregurra Primary School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments. Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as LGBTIQ+ and other students experiencing risk or vulnerability. Child safety is a shared responsibility.

Our Vision

An inclusive community that supports and encourages a love of learning and the skills and mindset to thrive.

Our School Values

Community - growing positive partnerships between school, home and the broader community

Aspire - setting goals and purposefully working towards their achievement

Respect - for self, others, learning and our environment

Excellence - striving for the highest personal achievement in all aspects of schooling.

From the Principal's Desk

Welcome to Week 6. I hope you enjoyed the extra day of rest last Tuesday and the beautiful sunshine we had on Thursday, great timing for our senior students' cricket day. As we look ahead to the end of the year, we're excited to see our learners continue to make huge steps in these final weeks of 2025.

Lorne Band

Last Wednesday, we were delighted to host students from Lorne P-12 College and their music teacher, John Waller, a Birregurra local. The visiting bands performed a lively mix of contemporary, pop, and rock pieces, showcasing their impressive talent and enthusiasm. We thank John and his students for sharing their music with us. Events like this strengthen connections between schools and celebrate the value of the Arts in our community.

Interschool Cricket

Last Thursday, a group of senior students headed to Central Reserve in Colac to participate in Interschool Cricket. From all accounts, our students displayed great enthusiasm, teamwork, and sportsmanship throughout the day. They represented our school proudly and showed excellent effort. Well done to all students involved, and thank you to Mr Burrell, Miss Kirsty, and the families who supported the teams.

Talent Quest & Market Day

Last Friday's Talent Quest and Market Day was another wonderful celebration of our students' creativity and confidence. Each year, I'm amazed by the range of talents on display, and this year was no exception. Performances featured singing, dancing, music, comedy, and even some cow showing, providing plenty of entertainment and laughter. Congratulations to all who took to the stage, you made us very proud!

Following the performances, families joined us for morning tea before enjoying the Market Day stalls. Our student stallholders did a terrific job planning and running their stalls, which offered a mix of food, drinks and activities. Thank you to everyone who supported the day. The event was a great success, with funds raised going towards Junior School Council initiatives and subsidising our end of year excursions.

Scholastic Book Fair

Our Book Fair is now open providing a chance to explore a wonderful range of books, from magical stories to thrilling adventures, there's something for everyone to enjoy.

School Councillors – Rob Lidgerwood, Luke Fitzpatrick, Kelly Dodds, Emily McDonald, Cassie Stephens, Sarah Green, Alistair Burrell, Jaymie Lowe.

The Book Fair is open each day this week from 8:40–9:00am and again from 3:15–3:45pm. If you're available to lend a hand, please let the office know. Thanks to the parents that have already offered their support.

Remembrance Day – November 11

Remembrance Day is held each year on **November 11th – tomorrow!** It's a day when we acknowledge those who died while serving in wars, conflicts and peacekeeping operations. Our school community will pay its respects by observing a minute of silence at 11:00 am.

Deakin Vision Screening for Prep to 2 students

We are pleased to host Deakin University Children's Vision Screening at our school on Tuesday 11 November and Tuesday 18 November for students in Prep to Year 2. Senior students completing their Master of Optometry or final trimester of their Bachelor's degree will conduct the screenings under the supervision of registered optometrists and Deakin University School of Medicine staff experienced in children's vision assessments.

The screening helps identify existing or potential vision problems, which, if undetected, can impact learning, behaviour, and development. Early detection ensures children receive the best possible care. Consent forms can be returned up until the last day, though we encourage families to return them promptly to take full advantage of this valuable opportunity.

STOMP Dance Company

We're delighted to welcome back STOMP Dance Company to our school! STOMP dance lessons will commence this **Friday 14th November**. Each class will take part in lively and engaging sessions that develop fundamental movement and coordination skills while building respect, teamwork, confidence, and self-expression.

As part of the Victorian Curriculum, Dance plays an important role in the Arts, allowing students to explore creativity through movement, performance, and collaboration. The STOMP program provides a fun and meaningful way for students to meet these curriculum outcomes while building confidence on stage. The program will culminate in a fantastic showcase of our students' talents at the end-of-year concert taking place on **Friday 12th December!**

Gingerbread House P & F Fundraiser

Our P&F are excited to be selling gingerbread houses this year, just in time for the festive season. Please see the flyer in today's newsletter for more details. Please note, orders are due back to school by this **Friday 14th November**. Thanks in advance for your support.

End of Year Excursions

To celebrate the end of the 2025 school year, all students will head to Village Cinemas to enjoy a movie together. Following the movie, our Year 3 to Year 6 students will continue the fun with laser tag and arcade games, while our Prep to Year 2 students will head to the Geelong waterfront to enjoy the carousel and outdoor play spaces. It promises to be a fantastic day for everyone as we wrap up a wonderful year of learning and achievements. Details are available on XUNO, please log on and provide consent and payment for this event.

We understand the importance of keeping activities affordable for families. To help reduce costs, the school will be subsidising the cost of the buses for the movie day, using funds raised from Market Day.

Our Grade 6 students will also enjoy a special day in Melbourne to celebrate the end of their primary school journey and experience city life. They will catch an early train from Birregurra Station and return at approximately 7.00pm. Mr King has worked closely with the students to plan the day and select activities that reflect their interests. Details are currently being finalised, and we hope to have this on XUNO very soon. Stay tuned!

Pre-prep is coming to Colac Otway

So what does that mean for your child?

Part of the State Government's Best Start. Best Life reforms, Four-Year-Old Kindergarten is changing to Pre-Prep.

The reform is rolling out in stages, with changes coming in to affect in Colac Otway Shire in 2026 and 2027.

What you need to know:

All Colac Otway kindergarten providers will be offering additional kindergarten hours to eligible children.

In 2026, the following can access 16 - 25 hours of kinder per week:

- children who identify as Aboriginal or Torres Strait Islander
- children from a refugee or asylum seeker background
- children who have had contact with Child Protection or are in out of home care
- children who were supported by Early Start Kindergarten or the Access to Early Learning program for Three-Year-Old Kindergarten.

In 2027:

- All children will be eligible for 16-20 hours of kindergarten per week
- and the above eligibility will continue to apply

For more information on Pre-Prep and the kindergarten reforms speak to your local kindergarten provider or visit www.vic.gov.au/preprep
